

FRONT ROW

Dual Student – E-Commerce Management (f/m/d)

At Front Row, we partner with leading brands to accelerate their ecommerce growth. We leverage our capabilities and proprietary technology to design, market, distribute and accelerate brands on a global scale. We're continually cultivating functional areas of expertise and retaining the highest caliber of talent — while sharing knowledge and data, creating efficiencies, and looking at every aspect of our client's business from a 360° perspective. We work effectively to give every client the hands-on support, niche knowledge, and first-access they need to win in the world's most competitive commerce markets and make each of our six capabilities the first to act on the next big things.

About Our E-Commerce Management Team

We help our clients expand their business and geographic scope with guidance and implementation across digital advertising and retail, optimizing conversion on all major platforms.

We are now seeking a motivated **Dual Student in E-Commerce Management (f/m/d)** to join our dynamic Consulting team, providing the opportunity to learn, grow, and contribute to real-world projects.

How would you spend your time if you join us?

- **Client Support and Project Management:** Act as a co-pilot for client projects, gaining hands-on experience in managing and optimizing e-commerce operations, particularly on platforms like Amazon (Vendor Central and Seller Central).
- **E-Commerce Strategy:** Support our consultants to develop, coordinate implement growth-focused measures for clients, including product content optimization, marketing campaigns, and more.
- **Cross-Divisional Collaboration:** Get the chance to work alongside various departments, such as marketing, CRM, and analytics, to ensure holistic project success and client satisfaction.
- **Learning and Development:** Support colleagues by sharing insights gained during your studies and practical experiences, contributing to the overall success of the team

Who Are You?

- **Educational Background:** Currently enrolled or accepted into a Bachelor's degree program in E-Commerce, Business Administration, Marketing, or a related field.
- **E-Commerce Enthusiast:** You have a keen interest in e-commerce, particularly with marketplaces like Amazon, and are eager to apply your academic knowledge in a real-world setting.
- **Analytical Thinker:** Possess strong analytical capabilities, with a knack for conceptual thinking and a solution-oriented mindset.
- **Excellent Communicator:** Fluent in German and English, with strong written and verbal communication skills.
- **Team Player:** Able to work effectively within a team, contributing to a positive, collaborative environment.
- **Continuous Learner:** A thirst for knowledge and a commitment to expanding your expertise in e-commerce daily.

FRONT ROW
